An opportunity to purchase this former church premises located in the heart of Morecambe close to the Promenade and Eden Project Zone. The building provides a fantastic opportunity to purchase a large period building which would be ideal for conversion or retained for a commercial and public use. The location is minutes from the stunning Morecambe Promenade which has great views over Morecambe Bay toward the Lakeland fells and scenery.

The property currently provides a rental income from a company who use the space for storage. The building has a wealth of features you would expect from a building of this nature.

The location is surrounded by a great range of amenities with nearby railway station, shopping centre, supermarkets and visitor facilities. There are good road links and regular bus services providing access to nearby Lancaster city and Lancaster University.

The location takes full advantage of the recently opened Bay Gateway link road which provides enhanced access to the Lake District, Kendal, Yorkshire Dales, Preston and central Lancashire.

The Morecambe area is currently under review for the potential construction of the Eden Project North which we believe will significantly enhance the popularity of the area and boost the local economy.

Internal viewing is highly recommended to appreciate the potential of this building.
